

Dear Players, Parents & Guardians,

We are pleased to announce that we have received notification yesterday that the Parramatta City Tennis Centre can re-open from tomorrow, Friday 24th of April 2020 for Court Hire and Private Lessons only.

This means that we still need to follow strict measures to ensure we all do our part so the Tennis Centre remains open. Please see the list of measures applied below which have to be followed whilst being onsite.

Court Hire: Two people per court only, no changing ends, and no sitting down in between breaks and gathering allowed. Court hires will be able to be booked online via our website <http://parratennis.com.au/> or; over the phone: 02 96831703

Private Lessons: Only one on one private lessons are permitted. If parents are bringing their children, we encourage the parent to stay in the car or well away from the court during the lesson. You can contact your coach to start arranging lessons with them directly, or our clubhouse, or email us at tc@sportscampsaustralia.com.au

Club House: Only two people are allowed to be in the club house at a time which includes our staff members. Therefore if you see there is another visitor in the club house being attended to please wait outside until that visitor/guest steps outside. The same applies to using the bathrooms inside the clubhouse and no showers are permitted at this time.

Re-stringing: Will be available, however prior to handing the racquet/s over to our staff member, they will ask you to sanitise the entire racquet/s. Once the restring is completed, our staff will sanitise the racquet/s again prior to handing it back.

Cafe: Takeaway coffees, confectionery, beverages will be available to purchase from the clubhouse cafe, however they are to be enjoyed outside. Again no seating is allowed to be provided at this stage inside or outside and we encourage guests/visitors to take the purchased items upon their departure.

Payments: As much as possible, we encourage all payments to be processed via eftpos at the club house to avoid contact. However Cash will be accepted and staff members will be wearing gloves for their own protection.

Cleaning: The club house premises will be cleaned and sanitised daily to ensure we are following the correct protocol provided to us.

Opening Hours:

- Monday - Friday: (9.00am - 9.00pm)
- Saturday: (9.00am - 6.00pm) ***25th of April, Anzac Day - Opened from 12.00pm - 6.00pm***
- Sunday: (9.00am - 2.00pm)

No flexibility outside of the above time frames will be issued and the clubhouse and courts will be closed by our staff before departing each day.

Coaching Programs/Competitions: Are not permitted at this stage and we will keep you posted once this changes.

We thank you for your patience during this time whilst being closed to ensure the safety of the community and our staff and we are pleased to be able to re-open and provide the community with the wellbeing of exercise and sport that the government heavily encourages.

We hope you have all been well and look forward to seeing you back out on court soon!

Kind Regards,
